

# AKMAL MADIYAROV

WEB DEVELOPER

## PROFILE INFO

Hello everyone, I am Madiyarov Akmal, I am 16 years old, and I am currently studying at a data training station. I was born in Uzbekistan in 2006. I grew up in the Khorezm region of Uzbekistan I created this site to gain experience in frontend programming

## WORK EXPERIENCE

School №10

2020 - 2022

I have gained experience here for 2 years, I made a school program in the buyer, and now I also teach in the absence of a teacher.

Data Education Center

2022 - 2023

I gained more experience here, I found highly qualified teachers and studied there

I worked on myself

2023 - 2023

I have been working on the portfolio website you are looking at for 2 months
